## Blackburn Central

Dear Parents/Carers,

## School Attendance

We are writing this special letter to you about attendance to provide you with a clear outline about absence procedures and the School and Local Authority responses to poor pupil attendance. The Governors have made it clear that they will support the Headteacher and Local Authority in promoting high levels of attendance and taking action where there are unsatisfactory reasons for absence.
Poor school attendance can impact upon your child's academic, social and emotional development. Blackburn Central High School is working hard to ensure that the levels of attendance remain high and does not impact on your children's progress at school. However, we appreciate there will be times when absence is unavoidable and acceptable. This letter explains the approach we are following to support excellent attendance.
It is crucial that pupils are in attendance at school as often as possible to take full advantage of learning opportunities.

- We know from research that even the slightest drop in attendance can impact on the outcomes of pupils at GCSE.
- Pupils need to attend school regularly to benefit from their education.
- Missing out on lessons leaves children vulnerable to falling behind.
- Children with poor attendance tend to achieve less in both primary and secondary school.
The table below demonstrate how much impact having time off school, has on pupil outcomes/grades in year 11. If a pupil attends $95 \%$ or more they are more like to have positive progress, higher attainment and a higher number of GCSE Grades that a are above 4.

| Whole school attendance across 5 years |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- |
| Attendance | Progress 8 <br> 5 year <br> attendance | Attainment 8 | Average <br> number GCSEs <br> $4+$ | \% Basics 4+ |
| More than <br> 94.99\% | 0.22 | 5.14 | 6.31 | $81 \%$ |
| More than <br> 89.99\% | -0.09 | 4.41 | 5.46 | $71 \%$ |
| More than <br> 84.99 | -0.23 | 3.93 | 6.00 | $50 \%$ |
| Less than $80 \%$ | -2.13 | 1.96 | 2.13 | $25 \%$ |

Positive progress means they are achieving more than their expected grade Negative progress means they are achieving less than their expected grade

## What we are aiming for

Average attendance would be around $95 \%$ for the year, with outstanding attendance above $96 \%$.

The percentage attendance may seem high at $90 \%$ (we would celebrate this in an exam) but this is 19 days off school, nearly 4 weeks across a full year, even more scary 95 hours of lost learning. This is why attendance impacts on pupil progress.

| Descriptor | Threshold <br> attendance | Actual <br> attendance | Whole days <br> absent | Learning hours <br> lost |

|  | $81 \%$ | 154 days | 36 | 180 |
|  | $80 \%$ | 152 days | 38 | 190 |

## What is considered as poor attendance?

Anything below $94 \%$ is weak, under $90 \%$ is poor and if attendance dips below $85 \%$ we will have serious concerns. Below $90 \%$ is regarded as persistent absence by the DFE. In this school, we are aiming for every pupil to achieve attendance levels of at least $95 \%$. We monitor attendance and provide termly reports on each pupil's attendance.
Throughout the terms, we identify all those pupils whose attendance has fallen and issue a warning letter and/or make a telephone call informing parents. We then monitor the pupils' attendance on a weekly basis and hope to see a pattern of improving attendance within weeks of no absence developing.

Our duty of care in responding to unauthorised and persistent absence - possible consequences We have a duty of care, shared with the Local Authority, to challenge poor attendance. Where attendance levels are low and where there are invalid reasons for a pupil's frequent absence or where parents condone absence (e.g. by taking children out of school on unauthorised holidays) a fast track prosecution could commence.

## Medical/Dental Appointments

It is generally better if these can be arranged outside school hours, but we know this is not always possible. Where children need to attend such appointments during the school day it is important that the child attends before and returns to school after the appointment. Where the child is absent through illness or medical appointments this will normally be counted as authorised. Where we have concerns over excessive absence patterns through illness we will need to discuss this with parents in order to gain a better understanding of the problems and to offer support for example by involving the School Health Service.

## Holidays

It is not our policy to authorise holidays in term time. Where authorisation is not granted then subsequent term time holiday absence may be reported as a matter of concern to the Local Authority; we are under a duty to do this.

## Close of Registers

The AM register closes at 9:00. Any child arriving after this will incur an unauthorised absence. Please ensure your child is in school by 8:30am ready to start the school day. A free breakfast club is available from 8:00am.
I hope that these notes will help you to have a clear understanding about the School's attendance expectations. Thank you for taking the time to read this letter and I would be very pleased to answer any questions you may have about maintaining, supporting and improving your child's attendance record. If you are experiencing any difficulties regarding your child's education, I would welcome the opportunity to advise and support you.

```
Yours sincerely
```
