Dear Parent/Guardian,

Following half term we are making changes to the start of the school day, we feel it is necessary to get students back in at 8:30am to ensure they have full access to important notices during progress time and to ensure their lessons can begin promptly at 9am. Students should arrive between 8:20am and 8:30am and head straight to their designated areas detailed below to ensure they stay in their bubble and can begin the day promptly.

Year	Meeting point and entrance
7	Lower yard
8	Muga
9	Upper yard
10	Outside PE office
11	Straight in through the student entrance

I am aware that this is another in year change and I apologise for having to make it, however, I feel it is in the best interests of the students to ensure their education is high quality. As always, I thank you for your support to your children and BCHS.

If you have any queries please do not hesitate to contact school.

Yours faithfully,

Mrs Hussain
Headteacher
