# Message from a parent...

I hope my email finds you in good health and another happy, successful academic year to you.

I was very pleased with Farihaa's achievement in her GCSE. She achieved 7As and 5Bs which was fantastic Alhamdulillah.

She is now attending Cardinal Newman in Preston and studying Photography, Physics, Maths and Psychology. I hope inshaAllah my boys do just as well. She does miss her time at BCHS.

I appreciate all the support the school, yourself and her teachers have given her over the years and especially in the final year when your staff allowed extra tuition during the weekends. It has helped her a lot.

Please continue excelling , which I'm sure the school will and please convey this message to all your staff as with yours and their dedication, our children inshaAllah will have a better and fulfilled life.
